In 'The Antelope's Strategy,' Jean Hatzfeld interviews a female survivor of the Rwandan genocide. She says, "Telling the story doesn't bring them back to life, since we cannot overcome their death. Telling only offers some kindness and dignity."

The new release from powerHouseBooks titled, "If You Knew Me You Would Care" presents stunning photographs of women living where violence, poverty, and conflict are a given. Luckily, they have survived to tell their tale. Paired with their personal stories, the photographs of smiling faces become truly powerful and inspiring documents of life beyond crisis.
